

MADISON MCDONALD

3rd GRADE TEACHER

Madison will be one of NOCA's two 3rd grade teachers. She was born and raised in Hilliard, Ohio, and she enjoyed being homeschooled during her middle school years.

She attended and graduated from Bowling Green State University where she completed her undergraduate studies, majoring in Human Development and Family Studies, and minoring in Psychology. She is currently working on her M.A. in Elementary Education through Western Governors University.

Madison has previously worked in Goddard Schools at the pre-K level. She has spent a combined five years teaching swim lessons and coaching swim teams. She is excited to join NOCA's team of excellent faculty and advance the mission of Classical Education.

Madison is a plant enthusiast with over 50 of her own, loves to swim, and hopes to write children's picture books one day.
