

Apryl Morin

Business Manager

Mrs. Morin is NOCA's Business Manager. She earned her BA in Psychology from Lourdes University in Sylvania, Ohio and her MA in Organizational Development from Bowling Green State University in Bowling Green, Ohio.

Apryl has been working with charter schools and in the education field for nearly 25 years in many facets of administration. She has been engaged in starting numerous schools throughout Ohio and is committed to quality educational options for all students. Mrs. Morin has specialized in serving schools and improving school operations from school start-up planning stages to schools operating for many years.

Apryl was the Executive Director for one of Ohio's largest Sponsors overseeing compliance and academic performance requirements for 48 schools. Additionally, she has worked in a consulting role with over 24 schools across the State. Her responsibilities have included reviewing and developing directions/operations related to statutory requirements, coordinating full-cycle organizational revamps, developing short/long term goals, facilitating strategic planning and ongoing forecasting.

In her role at NOCA, Mrs. Morin oversees all federal grants, state compliance, safety planning, business operations, human resources, accounts payable/receivable, and student/school reporting.

In her spare time, Apryl enjoys painting, pottery, classical music, reading and spending time with her family (to include her husband Bob and daughter Jadyn).
