

MR. ERIK GREMLICH

UPPER SCHOOL MATH

Mr. Erick Gremlich, Upper School Math teacher, has been teaching high school mathematics for 13 years, including 11 years experience in AP Statistics and 3 years experience in AP Calculus. Mr. Gremlich earned his B.A. in Mathematics Education from the University of Utah in 2007 and his M.A. in Mathematics Education in 2011.

He has lived in Utah, Nevada, Nicaragua, and Georgia, and is pleased to now call Ohio home. He loves science fiction and fantasy, especially Dune, Star Wars, Doctor Who, Sherlock, Stargate, and Christopher Nolan films. Mr. Gremlich plays cello and enjoys classical music, especially the music of Rachmaninoff. He is an avid reader, with some of his favorite books being Dune, the Stormlight Archive, Atlas Shrugged, the Star Wars Thrawn novels, Alice in Wonderland, and Sherlock Holmes stories.

In his spare time he likes to enjoy nature, eat Thai food, watch movies, read books, and spend time with his wife and son.

Mr. Gremlich is excited by the opportunity to work in classical education and fit mathematics to the needs of his students. He is particularly excited to include historical sources in mathematics education and introduce students to the original ideas of mathematicians and help students learn those ideas for themselves.
