

# MRS. NIKKI HUMASON

## LOWER SCHOOL TEACHER

Mrs. Humason was born and raised in Toledo, Ohio in a family where her father and all three siblings became educators. She received a B.A. in Psychology from Bowling Green State University and a Masters in Elementary Education from the University of Toledo.

Before beginning her teaching career in the fourth grade classroom, she developed and implemented various drug prevention programs for elementary and middle schools throughout Northwest Ohio.

While teaching fourth grade in Toledo Public Schools, she met her husband Jeff (who is NOCA's Art Teacher). They have been married for twenty-six years and have eight children ranging in age from twenty-four down to five.

After Mrs. Humason's first child was born she decided to stay home and homeschool her children using the Classical Model. This year all four of their daughters will be attending NOCA.

Mrs. Humason enjoys attending her children's sporting events and dance recitals, baking and cooking, spending time outdoors, and visiting with family and friends. She is excited to be a part of the NOCA family!

*"The object of education is to teach us to love what is beautiful."*

—Plato, The Republic
