

REBECCA BOOK

K-6th TEACHER

Mrs. Book joins NOCA as one of our k-6th grade teachers. She was born and raised in Northwest Ohio. She graduated from the University of Toledo with a B.A. in Education and concentrations in History and English. She is currently completing her Master's in Children's Literature from Eastern Michigan University.

Mrs. Book spent years outside of education working in real estate before embracing teaching as a vocation. Both of her parents were educators so, in a sense, she joined the family business! She has taught at Toledo Christian School, Ann Arbor Public Schools, and most recently, in Toledo Public Schools.

Mrs. Book loves spending time with her family, traveling, and cooking. Her twin daughters will be seniors in high school this year, so she and her husband are savoring the last year before becoming empty-nesters.

Her husband, Bob, is a social worker and philosopher. Together they love to cook and plan a retirement in Italy. Mrs. Book looks forward to sharing her love of books with her students at NOCA!
