

**NORTHWEST OHIO
CLASSICAL ACADEMY**

Position: PE Teacher

Supervisor: Head of the Upper School

- Deliver instruction aligned with the classical education model and the school's mission.
- Teach physical education classes that develop physical fitness, motor skills, coordination, and teamwork.
- Instruct students in proper technique, posture, movement, and safety across a variety of age-appropriate activities.
- Promote virtues such as discipline, perseverance, courage, humility, and sportsmanship through physical training and competition.
- Create a structured and orderly environment where students are encouraged to give their best effort.
- Design lessons and activities that align with developmental stages and classical ideals of form and function.
- Assess and track student growth in physical ability, effort, and character.
- Communicate clearly and consistently with students, parents, and colleagues regarding student progress and expectations.
- Lead or assist with school-wide events such as field day, athletic competitions, or intramural programs.
- Participate in school events, professional development, and community engagement activities.
- Uphold and model the school's mission, virtues, and high behavioral standards.
- Other duties as assigned.
